# 2020 Strategic Plan

## Our Vision

Building a cycle club for all Gold Coasters.

## Our Mission

To conduct cycle racing and promote and develop the sport through the mentoring and coaching of members.

## Our Values

Inclusiveness  
Honesty  
Fairness  
Passion  
Safety  
Excellence

1992

## 2020 Primary Goals

- 1993
- Increase membership across all age groups
  - Increase available funds

2017

## 2020 Secondary Goals

- Continue to support members through programs and those attending national championship events
- Continue to conduct Open, Combine and Club events (Road & Track)
  - Continue to engage in regional cooperation
- Continue to organise and promote social events for members

## Supporting Steps

### **INCREASE FREQUENCY AND CONSISTENCY OF RACING**

Through targeting Sunday morning racing on a regular basis.

### **INCREASE CLUB PROFILE**

Through the distribution of promotional material in relevant retail centres, trade shows, community events and racing.

### **EFFECTIVELY EMPLOY EQUIPMENT PROVIDED THROUGH GRANTS**

Through the implementation of events designed to allow all members to make use of equipment.

### **IMPROVE THE INTRODUCTORY EXPERIENCE FOR NEW PEOPLE TO THE SPORT**

Through developing a systematic, formalised approach to mentoring at racing and training.

# 2017 President's Report

The year 2017 was a historic year for cycling on the Gold Coast with the amalgamation of the Coast's two cycling clubs. The importance of this single event cannot be understated, and I believe it will bring about a new era in competitive cycling on the Gold Coast.

Both the CATS and the Goldstars' cycling clubs had long and proud histories. Reading back through the respective minutes of each club, one can see the ebbs and flows of each, as they worked through successes and failures. However, having served on the committee of the Goldstars for quite some time before the amalgamation, I genuinely believe that both clubs made a continuous effort to promote the sport of cycling and to bring competitive cycling to as many as possible. If there is anything that we can take out of the history of both clubs, I would argue that it was this love for our sport that should be best remembered.

The amalgamation process itself went smoothly, supported by the Management Committees of both clubs and on the 2<sup>nd</sup> of June 2017, the new Gold Coast Cycling Club came into being. Since that moment, your Management Committee has worked tirelessly to launch the Club as a new entity and to promote its new-found strength and vitality. Much was done behind the scenes, including the creation of a brand new design concept and logo, the production of a new kit, the launch of a new website, and the rebranding of the club's trailers, tents and race equipment. I would like to thank RACV Royal Pines for their financial support through this process. We are now at a point where I believe the Club can move forward with confidence in its identity.

Even in the midst of an amalgamation, the Club had still had bike races to run and it did so successfully. Last year the Club hosted the Queensland Junior and Para-Cycling Road Championships, showing off to all, the beautiful region that we live in. The Club also conducted its two Open events for the year, the Junior Carnival and the Darren Smith Classic, as well as the New Year's Day event. All of these events, along with our weekend

racing, were conducted with a high degree of professionalism and received positive feedback from our competitors. Twilight criteriums were also held mid-week over a five month period, for the first time as a series, which proved extremely popular.

We are now on the verge of the Commonwealth Games and it has impacted the Club in a number of ways. Firstly, the Management Committee undertook the huge job of moving the Club out of its home at the Gold Coast Cycle Centre in Nerang. This meant removing thirty years of accumulated materials. It also meant moving over \$50 000 dollar's worth of equipment off the premises, including the shipping containers. The Club and its personnel are also involved with the Games acting as volunteers, officials and conducting activation events at the ITT and the RR. Finally, the Club will be represented at the games with our elite members who have made the Australian Team.

The Club also conducted a gala night that saw both new and old members of the Club get together to officially celebrate the launch of the newly amalgamated club. The Management Committee spared no expense on the celebrations and we were given a rare opportunity to bring together many of the Club's Life Members and pay homage to those members who have been awarded a Medal of Honour by the Club. I hope that a fun night was had by all.

In addition to the individual honours compiled by our members throughout the year, the Club won a rare double, picking up the Cycling Australia Premier Club and the Cycling Queensland Club of the Year. The amazing efforts of Malcolm Rae were also recognised as he won Queensland Junior Coach of Year. These awards are a powerful tribute to the efforts of all our members, both on the bike and off it.

Finally, I would like to take this opportunity to thank those members who served on the inaugural Management Committee. Without the work, day in and day out, by these members, your club would simply cease to function. Thank you for coming this evening, having your say and supporting your Club at this important event.

Damien McFarline  
President, Life Member

# 2017 Performance Report

From Malcolm Rae (LM), Club Coach...

The structure of the Gold Coast Cycling Club for our juniors from U9 to u17 is mainly getting the kids race ready for road and track events throughout the year. We concentrate heavily on making sure the kids are enjoying themselves and that the older kids are motivating the younger ones.

Thankfully, we have a great facility at the Nerang Cycling Centre for training these young, keen kids. There are so many different types of training that can be done there, in a safe environment, that doesn't involve being on the road.

The centre is where we held our Junior Carnival with the juniors completing a time trial, criterium and road race. The 2017 event was again very successful.

2017 was a busy and successful year for a lot of our juniors at State Road and Track, and National Road and Track Championships. The State Road Championships were hosted on the Gold Coast by our club and was very successful thanks to our big pool of volunteers. Some of our juniors made it into the QLD State team and travelled to Tasmania and, with a huge expense to the parents, raced Nationals and again came home with some well-deserved medals around their necks.

Track State championships was held at the new Anna Meares Velodrome in Brisbane and our club was able to book a training session one afternoon which proved to be very beneficial. Come race weekend, again, we had great success with our juniors and 5 making it into the QLD State Team. The Track Nationals was held in Melbourne with more success and personal bests.

I believe the Juniors play a big part in the club as it's the parents that do so much volunteering when it comes to club and open events as well as social events. We are lucky we have a couple more club members about to get their coaching licences but we could do with some more. Our goal in 2018 is to try and organise a couple of 'come-and-try-days' once we get back to the centre after the Commonwealth Games.

This year the State Road Championships are in Townsville so that will take a lot of organising, as we hope to go up as one group.

We used to do a training camp once a year at Boonah for two nights which was a lot of fun for the kids and adults and we would all stay at the Outlook which had great group accommodation. We would love to do something like that again for our juniors but we need someone to have the roll of organising it.

Overall, I feel the Junior side of the club is going well and its always great seeing new juniors coming into the club. Once we have some more coaches it would be good to advertise in some way at schools to show what we offer.

As for many years now, we offer coaching on a Tuesday and Thursday afternoon from 4pm until 6pm as well as an organised Saturday Junior and Adult Social Ride normally leaving Emerald lakes at 6:30am.

Hopefully 2018 will be a memorable and enjoyable year. Malcolm Rae

## From Brad Reardon (LM), Club Coach...

I am pleased to report that 2017 was again a successful year for many of our athletes, especially those transitioning from the junior grades into U19s and the Elite level. I had the pleasure in assisting a number of our members in this process and was pleased to follow their progress.

In my role as the Cycling Queensland Assistant Track Coach for the U/19 and Elite team I enjoyed watching the team take to the new Anna Meares Velodrome as we invited the other states to Queensland. From a club perspective, it was great to see Connor Reardon win a silver medal in the National U19 Men's 4000m Teams Pursuit Championship and later teamed with Alex Clairs, picked up a bronze medal in the National U19 Men's Madison Championship. I had the honour in 2017 to be the CQ Head Coach for the Madison and I'm excited that Men and Women's Madison is now on the Olympic Games Program.

When it came to the road, I headed down to Tasmania with the Queensland Junior Road Team as the Head Coach and I was very proud of how all the young men and women conducted themselves both off the bike and on it. The conditions were tough both in terms of the weather and the terrain, however, the team raced well. Sophie McAuley came away with a bronze medal in the U17 Women's National Road Race. Francesca Sewell came away with two gold medals, one in the U17 Women's National Individual Time Trial and one in the U17 National Women's Road Race and Champion of Champions Jersey. Zakk Paterson came away with a silver medal in the U15 Men's National Individual Time Trial and a gold medal In the U15 Men's National Road Race and second in the Champion of Champions. A special mention to other Gold Coast riders competing at the Road Nationals who were very close to getting onto the podium were Mia Hayden and Etienne Richert, Lachlan Devine and Jack Sewell.

One of the things that I was regularly involved with throughout the year was running accreditation sessions, Come and Try days and Coaching Open Training Sessions on the AMV. I would encourage all of our members with an interest in track riding to go through an accreditation session as it is very enjoyable and a great way to get a feel for the new track.

On a domestic front I was pleased to see big numbers attending the Wednesday night track sessions, with some winter nights attracting up to thirty riders. The numbers did drop off come the summer but hopefully once the Club moves back to Nerang after the Commonwealth Games everybody will look again to the excellent training opportunity the track sessions provide.

In closing, my philosophy in cycling is to coach those athletes who want to achieve something that they thought was unachievable and I hope to see more of our members achieve in 2018. Brad.

Most Improved Female	Mia Hayden
Junior Encouragement Award	Yunosuke Mitsui

\* Please note, the Club has done its best to compile an accurate record of all major achievements. Please accept our apology if your achievements have been omitted from the list for 2017.

# 2017 Treasurer's Report

The Club's financial year runs from the 1st January to 31st December; however, following the amalgamation of the two Gold Coast Cycling Clubs known as the CATS and Goldstars resulting in the new Gold Coast Cycling Club being formed on the 2nd June 2017, accounts for 2017 began at the amalgamation date.

At the time of the amalgamation, assets of both former clubs were transferred to the newly formed club, along with the two membership bases. This report will not include the combined physical assets that resulted and refer only to the combined cash assets and the income and expenditure post-amalgamation.

This is not an entirely accurate statement of the trading year, as some 2017 costs are paid after the 31st December, and some 2018 costs were paid pre-1st January. An example of these are Council charges for Nerang Hire that are post- paid on council invoice, and CQ affiliation charges that are paid prior to the year commencing.

Also, post-amalgamation, any existing liabilities of the former clubs were assumed by our club. These liabilities consisted mostly of outstanding Council charges for Council facility use and were still being addressed and paid into 2018.

On the formation of the Club, the opening balance of the newly opened Bendigo Bank accounts, after transfer of funds from the former clubs, was \$50,785.87 on the 7th June 2017 which is a good financial basis on which to begin a new club.

2017 saw a \$26,586.30 paid out for clothing with only \$5,703.90 coming back in, leaving a trading deficit of \$20,822.40. This deficit is represented by increased clothing stock held by the club for sale to its members.

Regular Club race takings after most costs returned:

<b>Pimpama Sundays</b>	<b>\$895.00</b>
<b>Arundel Sundays</b>	<b>\$1799.11</b>
<b>Nerang Sundays</b>	<b>\$454.50</b>
<b>Runaway Bay Sundays</b>	<b>\$1123.10</b>
<b>Twilight Wednesdays</b>	<b>\$3552.85</b>

Wednesday Night track training returned \$2,480 before costs of track hire, lighting, and fuel and maintenance to motorbike.

Our new Club required re-branding that involved the services of a graphic designer, design of race and corporate logos and design, new teardrop flags and re-skinning of our two race trailers, most of which was paid for by our major sponsor, RACV Royal Pines Resort to the tune of just under \$5,000.

During the year, your committee has increased the Club's physical assets by expenditure of \$4,000 for an unregistered KTM Duke 390 motorcycle from Cycling Queensland, and disposed of the old CATS Yamaha for \$1,000.

With all of the cost of amalgamation paid and only some former Club's liabilities to account for, the Club is in a good financial position to grow in the coming years.

I present this financial report on the club for the 2017 financial year and can advise that its financial position is sound with no outstanding debts that cannot be paid.

**Andre Bondeson (LM), Treasurer**
